

Dear Sir/Madam,

*Warm greeting from Maghreb investment group, Tunisia.*

*We in Maghreb Investment Group are looking for strong Partners that would enhance our portfolio and grow with us in the booming north African Market.*

*To give you a quick idea about our activities, Maghreb Investment Group has been operational for the past ten years in Tunisia and in North Africa . We are the mother institution of many divisions that operate in different businesses such as real estate, hospitality, energy ,Fmcg and International Trade.*

*We own CIM ( Company Immobiliere Maghrebine) that has developed many properties throughout the country and that is constructing right now La Perla Residence in Hammamet North and in Bizerte in Tunisia .*

*Our sister concern is also Maghreb Energy that has brought major investments in Mauritania and other countries in Africa . We at Maghreb energy, are the official/exclusive distributor of many international brand leading in their sectors such as Yingli Solar, biggest producer of Photovoltaic Panels in the World. We also represent Keseco with its Ultra Box in North Africa. We distribute exclusively the inverters of the French Ainelec in Tunisia and have added to our line of products new revolutionary heating solutions of Fenix, a European giant in its field.*

*We are the mother company of Janat Hallab Group that operate as our hospitality division with various restaurants within Tunis such us Santinos, Hallab, Al Machmoum, Bannette Bakery and Equinox.*

*In Maghreb Trading we have been working in crescendo with the MENA region markets and construction fields as we have been importing and exporting Cement/ steel bars. We recently became the agents of Compac in Tunisia and Libya and intend to invest more in the construction material field.*

*We have also developed our own brand(BARONI) of olive oils and dates aiming Asian markets.*

*We are approaching you today after seeing a tremendous market growth in Tunisia, hence we would request you to add us to your hosted buyers programs at your next meet.*

*Looking forward to hear from you soon*

*Kind Regards*
